

Organizations

rhode island museum of science and art

RIMOSA is where kids and adults interact with hands-on, open-ended exhibits and each other, to see the world like scientists and artists do -- not only as it is, but as it could be.

## We Kindle Curiosity

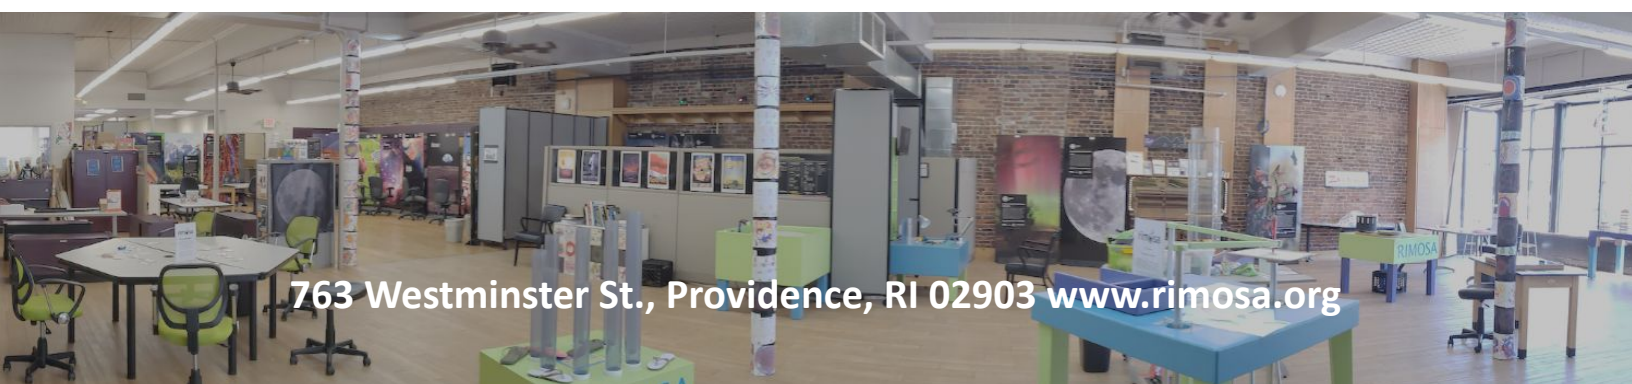

### Museum

6,000 have visited our 4,500 sq. ft. space with 20 hands-on, open ended exhibits. It's RI's first and only STEAM center.

### Outreach Programs

We offer 30+ hands-on programs through schools, libraries, and organizations of all kinds, in physical and virtual spaces, focusing on underserved communities

Curiosity increases joy and participation in school and work, changes the brain to improve memory and learning, and leads to creativity, innovation and entrepreneurship.

763 Westminster St., Providence, RI 02903 [www.rimosa.org](http://www.rimosa.org)

# Fuel Lifelong Learning and Associate with Good

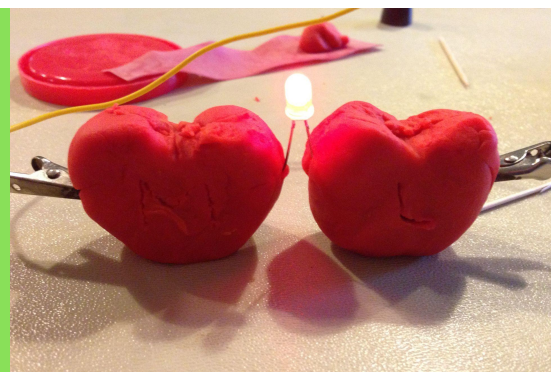

Since 2009 RIMOSA has reached more than 46,000 kids, teens, and adults, kindling the curiosity that fosters critical thinking.

## Your support has direct, immediate impact

\$120 = 6 hands-on distance learning kits

\$200 = a 1-hour outreach class for 25 kids

\$500 = 1 week, STEAM summer day camp for 2 kids

## Organizational Donor Levels

### Explorer

## Annual support helps us reach even further

**\$1,000 - \$2,500** Sponsors one three-hour visit to RIMOSA for 25 people

### Maker

**\$2,500 - \$5,000** Sponsors five school or group visits to RIMOSA for 25 students each

### Innovator

**\$5,000 - \$7,500** Sponsors one "Free to the Public" day/month for a year, reaching 1,200 people

### Leader

**\$7,500 - \$12,000** Sponsors one "Free to the Public" day/month for a year, reaching 1,200 people and two school or group visits for 25 students each

### Luminary

**\$12,000+** Sponsors one new or existing permanent museum exhibit, explored by 2,500 people/year

All annual supporters receive brand recognition in the museum, on RIMOSA.com, social media and press.
